Committees within Scintilla

What is a committee?

Within a large association like Scintilla a lot of activities are placed with committees.

The committee regularly holds meetings to reach their goal, which differs from committee to committee, where all members are suppossed to be present.

Every committee has at least a chairman and a treasurer, and often an secretary. The committee chairman keeps an eye on the state of affairs and leads the meetings, the committee treasurer takes care of the finances and the secretary makes the minutes of the meetings.

Every committee also has their own mailbox, where the post is delivered. These mailboxes can be found at the closet next to the door.

The specific goals and pursuits of a committee are formulated in the Commission Establisment Decree, which has to be signed by (a part of) the committeemembers.
